

Up & Coming

Some of Bethel have already booked for this Conference in July. Please check out www.naturallysupernatural.co.uk for information. This conference is all about spending time in God's presence and being equipped to lead Spirit-led lives. There are two main meetings a day with lots of space for worship, teaching and ministry; practical workshops during the afternoons, organised activities for children & youth all day. There will also be cafes, music, sports, films and so much, more, so why not come and be part of this great family event! When booking quote tkhowells@msn.com to stay on the Bethel Church camp site.
